Patient instructions and preparation

If on any medication, continue taking it, regardless of the following specific instructions.

NB: Exception diabetics – please contact our branch.

Barium meal/small bowel series

Nothing to eat or drink for 8 hours before appointment.

Ultrasound Scans

Pelvic and pregnancy – Arrive with a full bladder. Finish drinking 500ml of water 1 hour before appointment.

Kidneys and bladder – Arrive with a full bladder. Finish drinking 1L of water 1 hour before appointment.

Upper abdomen – Nothing to eat or drink for 6 hours before appointment. A small amount of water may be taken.

CT

Head, neck, chest, abdomen and pelvis – Nothing to eat for 2 hours before appointment. A small amount of water may be taken. Examinations of the abdomen may require you to be in our department for approximately 1 hour.

Spine – No preparation.

MRI

Before we can perform your MRI scan, we require you to complete a safety questionnaire.

Where possible, we prefer this to be completed online prior to your appointment day.

The questionnaire can be found at benzonradiology.com.au/mrisafety

If you cannot undertake the questionnaire online, simply arrive 10 minutes before your scan to complete it.

Any other preparation for your examination will be advised at the time of booking.

Nuclear medicine

Preparation advised at time of booking.

Mammography

Two piece clothing recommended. No talcum powder or deodorant.

Bone mineral densitometry

Comfortable clothing without zips recommended. Preparation will be advised at time of booking. Cease calcium/iron tablets 24 hours prior.

For enquiries about examinations, services or fees please call the branch where you have your appointment or visit benzonradiology.com.au
